Tehran Governor emphasizes on utilizing people s capacities to organize drug addicts / care centers for women addicts addicts

The deputy governor of Tehran for security and law enforcement emphasized on using the people s capacities to organize drug addicts.

According to the Tehran governor's information base; Tehran Anti-Narcotics Coordination Council was held in the presence of Mohsen Naebi, Deputy Governor of Tehran, and other officials.

Referring to the increase in the capacity of drug addicts care centers, the deputy said: "There is a good increase in the capacity of drug addicts care centers, while various centers, including the Article 16 Refreshment Center and Shafaq Center, have also provided capacity for women.".
